

PESTICIDE ACTIVE INGREDIENT REPORT FORM

DIRECTIONS:

Complete and submit one form for each non-exempt liquid formulation product registered for use in Maine.

Products exempted from the reporting requirements include indoor household use pesticide products with no more than 3 percent active ingredients. Also exempted are pet supplies, disinfectants, germicides, bactericides, virucides, insect repellents, indoor and outdoor animal repellents, indoor aquarium supplies, swimming pool supplies, aerosol products and general use paints, stains, wood preservatives, and sealants.

Industrial biocides are **not** exempt.

The Company Name and EPA Company Number should be the same as on the Application for Registration of Pesticides.

The Contact Person should be able to answer questions regarding the product formulation or be able to direct us to the proper person.

List each active ingredient in the formulation and provide the CAS Number and pounds per gallon (to four decimal places 0.0000).
